Dana,

RE: Westbank Asbestos Site, 06Y6

Attached below are necessary documents for establishment of an accounts receivable. There is no settlement number associated with this Settlement Agreement; but relates to a bankruptcy from 1991 - #91 CIV 6683. Also further below, please see email notification and attachment regarding the wire transfer payment in the amount of \$850,000, mistakenly sent to Region 5 initially. Let me know if you have any questions or need additional information and/or documentation. Please call me to discuss the annual cap allowed for future payments and the calculation of interest.

Thanks.

This e-mail is providing notice, pursuant to paragraph 2(d) of the Westbank Settlement Agreement, that JM made our initial payment of \$850,000 via wire transfer today. A copy of the confirmation is attached. We will provide separate, written notice to the Region 6 Section Chief as required. While the transfer did include the requisite information, our Treasury Department mistakenly included the Region 5 address, which was likely a carry-over from an oversight payment recently made on our Waukegan, IL Superfund Site. I apologize if that causes any confusion on your end. Jim, is there a way you can confirm this was properly accounted for on your end?
